Alcanza Tus Metas

En el Riverside Community College District (RCCD) existe un esfuerzo constante por desarrollar y expandir programas de educación y capacitación que conduzcan a empleos bien remunerados y carreras profesionales en industrias y negocios locales de alto crecimiento. Los colegios de Moreno Valley, Norco y Riverside han establecido alianzas con agencias municipales y del condado, asociaciones comerciales locales, sindicatos, empresas de servicios públicos y una gran variedad de empleadores públicos y privados para diseñar e implementar programas de capacitación específicos para sus oportunidades laborales. En los colegios del RCCD, los estudiantes pueden obtener títulos y certificados que los impulsarán directamente al mundo laboral con las habilidades y cualificaciones necesarias para el éxito.

Achieve Your Goals

In the Riverside Community College District (RCCD), there is a constant push to develop and expand education and training programs that lead to good-paying jobs and careers in high-growth local industries and businesses. The Moreno Valley, Norco, and Riverside City colleges have established partnerships with city and county agencies, local trade associations, labor unions, utility companies, and a great variety of public and private employers to design and implement training programs specific to their available job opportunities. At the RCCD colleges, students can earn degrees and certificates that will launch them directly into the workplace with the skills and qualifications they need to succeed.

Build It

You can design new products, construct houses, draw boats and bridges, or work on skyscrapers if you apply yourself and learn these skills from instructors with real-world experience. Take your creativity to the next level and learn how to convert ideas into blueprints and build the dream homes of tomorrow. Architects, Engineers, General Contractors, and Inspectors earn good money and are in high demand in the Inland Empire.

Repair It

You can convert your love of cars and trucks into a career with the technical training you receive from Riverside City College. There are multiple industry-recognized certificates in automotive repair available. You can specialize in EV and hybrid vehicles, gas engines, autobody repair and customization, drivetrain and undercar systems, and more. We partner and collaborate with local dealerships, manufacturers, tire shops, oil and lube stations, and nationwide service centers, so that when you complete your training, you have the skills these employers need.

Style It

You can help people look their best with the training you receive at Riverside City College (RCC) in Cosmetology. Become a barber, esthetician, stylist, or run your own beauty salon. The programs at the community college are a bargain, costing much less than private, for-profit, beauty schools, and academies. And, the instructors have the experience and the expertise required to help students successfully pass the state licensing requirements. Our success rate is phenomenal.

Teach It

You can make a difference in the lives of children by preparing for a career in education. Through our colleges' education programs, you can gain the knowledge and hands-on experience needed to work in preschool, K-12 classrooms, or private educational settings. Learn effective teaching strategies, child development, and educational psychology. If you're passionate about working with children and shaping the next generation, our education programs are a perfect fit.

Spark It

You can make things run, work, hum, and light up with the knowledge and skills you develop in these technical trades. The circuits you design, the systems and products you create, and the wires you run, will power the future. The instructors at these colleges have relevant work experience, and advanced degrees in their disciplines. They are familiar with the local industries, and they know the employers who actively recruit their students.

Whether you need a certificate to get started, or a degree to advance in your profession, the RCCD colleges are here to help you get the education and training you need to be successful. The Associate Degree for Transfer (ADT) programs, also shared in this brochure, are designed to provide our college graduates with the credentials and coursework needed to transfer to University of California (UC) and California State University (CSU) higher degree programs. Graduates with a minimum grade point average of 2.0, and completion of the ADT required and elective courses are guaranteed admission to a UC or CSU that has similar advanced degree programs.
